To the Board of Commissioners for Portsmouth Redevelopment and Housing Authority;

The Cradock Civic League voted Tuesday, April 7, 2009 to support the reaffirmation of Portsmouth Redevelopment and Housing Authority's Cradock Conservation and Redevelopment Plan. This comprehensive plan calls for the purchase and demolition of blighted multiplex housing units on in the Cradock Historic District. The properties will be demolished and new single-family housing designed around the Historic Cradock house types by Frasier Associates will be constructed. The Cradock Civic League and Residents support this effort and believe it will enhance the historic district as a whole.

The Cradock Civic League submits this letter of support to the Board of Commissioners and asks the Commission to reaffirm Cradock's Conservation and Redevelopment Plan. Please help Cradock to restore its historic streetscapes and build a strong community. Thank you for your time and attention.

Sincerely,

Joanna Hall, President
