Dear Honorable Mayor Holley, Vice Mayor Moody, Portsmouth City Council Members and the Portsmouth Sheriff's Department,

The Cradock Civic League humbly request that the City of Portsmouth Sheriff's Department aid the Cradock Neighborhood by cutting the grass and bushes located at 1908 Redgate Road. The owner Ms. Helen Fields who is an elderly senior is unable to maintain her property located at 1908 Redgate Road without help. By helping her you are helping Cradock's seniors maintain their quality of life.

The partnership between the City of Portsmouth's Sheriff's Department and the Cradock Community has helped reduce crime and now can help to keep the Cradock community looking good by aiding elderly senior citizen property owners within Cradock by helping them to clear overgrowth and debris from their properties that they could not possible do alone. We are thankful to the City of Portsmouth's Sheriff's Department in aiding Cradock's elderly seniors and Cradock. We all know that when properties are maintained they do not attracted crime. Thus reducing crime as a whole and helping our seniors feel more secure in their homes.

It is going to take all of Portsmouth to make Cradock a crime free neighborhood. Thank you Portsmouth City Council and the Portsmouth Sheriff Department for supporting the Cradock neighborhood.

Sincerely,

Joanna Hall, President
